FROM THE PASTOR

Dear Parishioners,

As we continue our discussion on the New Roman Missal, I would like to answer the following question.

What is new and different about the revised translation

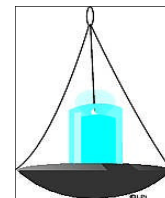

The style of the translation of the Third Edition is different. In accord with the rules of translation established by the Holy See, the revised translation follows the style of the original Latin text more closely, including concrete images, repetition, parallelisms, and rhythm. The English used in the Mass text is more formal and dignified in style. Where possible, the text follows the language of Scripture and includes many poetic images.

In addition, the Third Edition contains prayers for the celebration of recently canonized saints, additional prefaces for the Eucharistic Prayers, additional Masses and prayers for various needs and intentions, and some updated and revised rubrics (or instructions) for the celebration of the Mass.

Prayers and Best Wishes,

Fr. Aidan

We are looking forward to our **Parish Appreciation Party Sunday, September 26th and our Parish Ministry Fair Saturday, September 18th and Sunday, September 19th**. Please look for more information in future bulletins. (Please see a small preview on the next page of the children's section).
